

A NEW YORK CHAPTER OF THE NATIONAL AUDUBON SOCIETY

THE CHEMUNG VALLEY AUDUBON SOCIETY

SERVING THE SOUTHERN FINGER LAKES REGION

Chemung Valley Audubon Society's educational programs and the enhancements of our two Wildlife Sanctuaries and trails are funded primarily through membership dues and your generous donations to the Chapter. The impact your donation has on the work we do is long-lasting. With your support in 2022 and 2023, we made extensive renovations to the cabin at the Gleason Audubon Wildlife Sanctuary and planted new pollinator gardens at the Northrup Hill Wildlife Sanctuary. We have ambitious plans for 2024. Your membership support will be appreciated.
